Ratings:

If you scored between 7 and 9 out of 9, your reading is probably at Level 5.

If you scored between 5 and 7 out of 9, you are likely reading at Level 4-5.

Learners who are reading at this level generally function comfortably in College and Job Preparation.

If you scored below 5 out of 9, you may be reading at Level 4 or lower. You might consider building your reading level by attending at the Adult Achievement Centre or the Literacy Council of North Timiskaming.
